March, 2018

Dear Board Members;

I am bringing three documents to your attention. Empower is upgrading your Services and lowering fees. There is no cost to the County.

First Document titled:

**AMENDMENT NO. 1
TO
(Tuscola County)
AGREEMENT FOR RECORDKEEPING AND COMMUNICATION SERVICES
§457(b) Plan**

Group No. : 340157-01

In this document Empower outlines three upgrades in Service.

- 1) The Roth 457b will now be available to your employees. The Roth 457b allows the employee to contribute after-tax dollars that grow tax-FREE. Upon retirement the employee can withdraw their retirement savings from the Roth 457b entirely tax free. There is a two page overview of the Roth 457b available in your handouts, too. The employee can now do Pre-Tax (what has been traditionally offered) and After-Tax (the new Roth 457b).
- 2) On-line enrollment is now available. Many of our new employees use their phones for all their business transactions. They now have the option of enrolling on-line and of changing their contributions on-line. Empower notifies the Employer/Payroll of Tuscola County about on-line changes through our 'To-Do-List'. Shelly is signed up for access to the 'To-Do-List'.
- 3) Required Minimal Distribution (RMD) is now part of your contract. Many of the old contracts did not have this service written in the agreement. When an employee reaches 70 ½ years of age Empower will send them a letter reminding them the government (IRS) requires they do RMD. There is a stiff excise tax if you miss doing your RMD at 70 ½. This is a courtesy letter that we provide to help our clients, your employees. Your employees have been part of our RMD service for years. We are just updating your Service Agreement – RMD is now officially part of your Services now.

Second Document titled:

EMPOWER RETIREMENT ADVISORY SERVICES AGREEMENT

In this document you will see two different sections.

- 1) Pages 1-8 is your Managed Account Agreement. Managed Accounts was set up in all of our groups several years ago as an option for portfolio management. Empower hired Morning Star to run Managed Accounts. Morning Star sets up a diversified portfolio that takes your employee to and through retirement. It builds the portfolio on many variables that the employee shares with Morning Star using our Retirement Readiness Calculator. Pages 1-8 is your official updated Managed Account document. Tuscola County will need to initial each page and complete the designated signature page, on p.8.
- 2) The second part of this Document is labeled:

APPENDIX A – EMPOWER RETIREMENT ADVISORY SERVICES TERM SHEET

Plan Sponsor: Tuscola County

Plan(s): Tuscola County Deferred Compensation Plan – Group No. 340157-01

Initial Term: Three years from the Effective Date.

In this section of the AAG Agreement, Empower lowers the Managed Account fee by .15, or 15 Basis Points (BP). On the second page of this document you will see the new fees, in Black ink: the old fees, have been added to the chart below and are highlighted in yellow,

| <i>Participant</i> | <i>Account Balance</i> | <i>Managed Account Annual Fee</i> |
|--------------------|---|---------------------------------------|
| | First \$100,000 of account balance | 0.50 % (.65) |
| | Next \$150,000, up to \$250,000 account balance | 0.40 % (.55) |
| | Next \$150,000, up to \$400,000 account balance | 0.30 % (.45) |
| | Amounts greater than \$400,000 | 0.20 % (.35) |

Tuscola County will need to initial each page.

Third Document is titled:

Roth Governmental 457(b) Contributions and In-Plan Roth Rollover/Transfer Election Form

This document is divided into two sections:

- 1) Section A goes over all the rules now connect to your Pre-Tax 457b and reiterates that these same rules apply to your new option, the Roth 457b. Tuscola County's Regional Relationship Manager, Kathy Mahoney, has correlated the old rules to match the new offering of the Roth 457b.
- 2) Section B and Section C address the employee's ability to rollover/transfer money from their pre-Tax to their Roth 457b. This is a taxable event. The sections B & C are written separately. There is a difference between rollovers and transfers:

The main **difference between transfers and rollovers** is that you can only **transfer** money **between** two retirement accounts of the same type – an old 457b to a new 457b, for example, or one traditional IRA to another traditional IRA. A rollover allows movement of money between two different retirement vehicles – a 401k to a Roth 457b, for example.

Thank you,

AMENDMENT NO. 1
TO
TUSCOLA COUNTY
AGREEMENT FOR RECORDKEEPING AND COMMUNICATION SERVICES
§457(b) Plan

Group No. 340157-01

THIS AMENDMENT NO. 1 is entered into by and between Great-West Life & Annuity Insurance Company ("Contractor" or "Great-West"), and/or any successor, assign or affiliate, and Tuscola County ("Plan Sponsor") with respect to the services to be provided by Great-West to the Tuscola County Deferred Compensation Plan (hereinafter referred to as the "457 Plan").

Effective September 27, 2011, Great-West and Plan Sponsor entered into the restated Agreement for Recordkeeping and Communication Services ("Agreement"), under which Great-West provides certain recordkeeping and communication services for the Plan Sponsor with respect to the Plan; and

Great-West and Plan Sponsor agree that it is beneficial to amend the Agreement to add additional services as follows;

NOW, THEREFORE, in consideration of the covenants and conditions herein contained, and other good and valuable consideration as herein provided, the parties amend the Agreement as follows:

1. The following new Sections: I.S. entitled Roth, I.T. entitled Online Enrollment, and I.U. entitled Required Minimum Distributions, shall be added to the end of Section I. Recordkeeping Services Provided by Great-West under this Agreement as follows:

"S. Roth

If the Plan allows for Roth after-tax contributions, Great-West will maintain an accounting of the contributions and earnings in separate accounts. Amounts distributed from Roth accounts will be made and tax reported pursuant to the applicable provisions of this Agreement."

T. Online Enrollment

Plan Sponsor directs Empower to allow online enrollment. Once the Payroll Data Interchange ("PDI") file is transmitted, Plan Sponsor directs Empower to issue a PIN to every eligible employee allowing enrollment in the Plan through the website or the voice response unit ("VRU").

U. Required Minimum Distributions at Age 70 ½

Great-West will provide a notice and distribution form to each Participant attaining age 70 ½ or older in the current calendar year. The notice informs the Participant that required minimum distributions must begin no later than April 1 of the calendar year following the later of age 70 ½ or retirement. Plan Sponsor directs Great-West to process required minimum distributions in accordance with procedures provided by Great-West to Plan

Important Note: Service Agreement Amendments, Pricing Change Agreements, and other contractual documents must be duly executed by both parties prior to the effective date of the changes. Backdating contracts or funding agreements is in violation of our corporate governance and regulatory requirements. Changes cannot be implemented prior to the date all documents are fully executed, even if that requires the effective date to be postponed. There are no exceptions to the rule that the effective date must follow the date all documents are executed.

Third Document is titled:

Roth Governmental 457(b) Contributions and In-Plan Roth Rollover/Transfer Election Form

This document is divided into two sections:

- 2) Section B and Section C address the employee's ability to rollover/transfer money from their pre-Tax to their Roth 457b. This is a taxable event. The sections B & C are written separately. There is a difference between rollovers and transfers:

The main **difference between transfers and rollovers** is that you can only **transfer** money **between** two retirement accounts of the same type – an old 457b to a new 457b, for example, or one traditional IRA to another traditional IRA. A rollover allows movement of money between two different retirement vehicles – a 401k to a Roth 457b, for example.

Thank you,

6.5 AAG is not liable for any losses a Participant may incur if the value of his or her account should decrease related to the Participant's use of any component of Services and/or the Participant's investment decisions in following, or not following, any investment advice produced through Services except as provided in Section 6.7.

6.6 Plan Sponsor or its designee, including any third parties retained by Plan Sponsor, shall provide all data and information necessary for AAG's performance of the Services in a manner and format acceptable to AAG. Plan Sponsor agrees that AAG shall be entitled to fully rely upon the accuracy and completeness of data and information submitted by the Plan Sponsor to AAG, and that AAG will have no duty or responsibility to verify such data or information. AAG is not liable for any losses or claims to a Participant's account that are a result of inaccurate data provided from the Plan Sponsor to AAG.

6.7 Neither party shall be liable for any delay or failure to perform its obligations (other than a failure to comply with payment obligations) hereunder if such delay or failure is caused by an unforeseeable event beyond the reasonable control of a party, including without limitation: act of God; fire; flood; earthquake; labor strike; sabotage; fiber cut; embargoes; power failure, e.g., rolling blackouts, electrical surges or current fluctuations; lightning; supplier's failures; act or omissions of telecommunications common carriers; material shortages or unavailability or other delay in delivery; lack of or delay in transportation; government codes, ordinances, laws, rules, regulations or restrictions; war or civil disorder, or act of terrorism.

(a) AAG agrees to indemnify the Plan Sponsor and the Plan, hold each of them harmless and defend each of them from any Liability (as defined below) directly resulting from either the following: (i) any breach of fiduciary duty by AAG; (ii) AAG's material nonperformance of its obligations under this Agreement or (iii) negligence or willful misconduct by AAG or the IFE, to the extent that such Liability is not caused by the Plan Sponsor's breach of this Agreement, or caused by or attributable to an act or omission, negligence or willful misconduct of the Plan Sponsor or a Participant user.

(b) The Plan Sponsor agrees to indemnify AAG and its Representatives, hold them harmless and defend them from any Liability directly resulting from either or both of the following: (i) any breach of fiduciary duty by the Plan Sponsor; or (ii) the Plan Sponsor's material performance or nonperformance of its obligations under this Agreement.

Each party's indemnity extends to the other party's fiduciaries, agents, directors, officers, trustees, custodians and employees. 6.12 Notices will be in writing and sent to the address specified in this Agreement or to any new address the party has supplied.

6.13 This Agreement may be executed in two or more counterparts, each of which shall be deemed an original instrument, but all of which counterparts together shall constitute one and the same instrument. Plan Sponsor Pay

Managed Account Service – AAG’s discretionary managed accounts (Managed Account”) is geared toward Participants who wish to have an investment manager select among the Plan’s available Core Investment Options and manage their retirement accounts for them. The Participant receives a personalized investment portfolio that reflects the Plan Core Investment Options and the Participant’s retirement timeframe, life stages, risk tolerance and overall financial picture, including assets held outside the Plan (if the Participant elects to provide this information), which may be taken into consideration when determining the allocation of assets in the Participant’s Plan account (AAG does not provide advice for, recommend allocations of, or manage a Participant’s outside or non-Plan assets). Under Managed Account, AAG has discretionary authority over allocating among the available Core Investment Options, without prior Participant approval of each transaction.

Managed Account assets in the Plan’s Core Investment Options will be automatically monitored, rebalanced, and reallocated every quarter by AAG based on data resulting from the methodologies and software employed by the IFE to respond to market performance and to ensure optimal account performance over time. Participants will receive an account update and forecast statement annually and can update personal information at any time by calling AAG at the Plan’s toll-free customer service number, or visiting the Plan’s web site.

The tiered pricing described in the table below applies to Managed Account Service. Actual Users will be charged a quarterly fee based on their average assets under management while participating in the Managed Account Service. The fee will generally be debited from the Actual User’s account as of the last calendar day of each quarter. If the Actual User cancels participation in the Managed Account Service, the fee is calculated through the date of cancellation based on their average assets under management during the quarter for which the Actual User participated in the Managed Account Service. As well, if the Plan terminates its Service Agreement with Great-West, the fee will be debited upon such termination. The fee for an Actual User is depicted below.

| <i>Participant Account Balance</i> | <i>Managed Account Annual Fee</i> |
|---|-----------------------------------|
| First \$100,000 of account balance | 0.50 % |
| Next \$150,000, up to \$250,000 account balance | 0.40 % |
| Next \$150,000, up to \$400,000 account balance | 0.30 % |
| Amounts greater than \$400,000 | 0.20 % |

Old fees:

.65%

.55%

.45%

.35%

For example, if an Actual User’s account balance subject to Managed Account Service is \$50,000, the fee is 0.50% of the account balance. If the account balance subject to Managed Account Service is \$500,000, the first \$100,000 will be subject to a fee of 0.50%, the next \$150,000 will be subject to a fee of 0.40%, the next \$150,000 will be subject to a fee of 0.30%, and amounts over \$400,000 will be subject to a fee of 0.20%.

Plan Sponsor agrees the Managed Account Service fee will be paid for by a Plan Participant, as described above, unless the following box is checked.

APPENDIX A – EMPOWER RETIREMENT ADVISORY SERVICES TERM SHEET

Plan Sponsor: Tuscola County
Plan(s): Tuscola County Deferred Compensation Plan – Group No. 340157-01
Initial Term: Three years from the Effective Date.

A. Participant Fees:

Participant means an employee who is enrolled in and has established an account in the Plan. Participants that enroll in any of the below services become actual users ("Actual Users").

Online Investment Guidance – AAG's online investment guidance tool (the "Guidance Service") is geared toward Participants who wish to manage their own retirement accounts. It is an online tool that provides personalized asset allocation assistance without recommending any one specific fund. There is no fee for using Online Investment Guidance.

Online Investment Advice – AAG's online investment advice service (the "Advice Service") is geared toward Participants who wish to manage their own retirement accounts while taking advantage of on-line guidance and investment advice. Participants are provided on-line guidance and investment advice for a personalized recommended investment portfolio. This is an online tool that provides personalized investment option specific recommendations based upon a participant's financial situation. Each enrolled Participant receives a personalized investment portfolio that reflects the Plan Core Investment Options and the Participant's retirement timeframe, life stages, risk tolerance, and overall financial picture, including assets held outside the Plan (if the Participant elects to provide this information), which may be taken into consideration when determining the allocation of assets in the Participant's Plan account (AAG does not provide advice for, recommend allocations of, or manage a Participant's outside or non-Core Investment Option assets). Core Investment Options are those investment options selected for use in the Plan by Plan Sponsor that provide investment choice under the following asset categories: Fixed Income/Cash, Bond, Large Cap, Small/Mid Cap, and International. Core Investment Options do not include any employer stock alternatives or self-directed brokerage option alternatives. The Participant then implements the recommended investment portfolio and manages his or her retirement account on-line. The Advice service is a one-time event and the participant will monitor his own account.

The fee for Online Investment Advice is \$25.00 per year, or \$6.25 per quarter. This fee can be paid for by the Plan Sponsor or the Plan Participant. If it is paid for by the Participant, the fee will be debited from the accounts of those Actual User accounts as of the last calendar day of each quarter; however, if the Actual User cancels his or her enrollment in Online Investment Advice, the fee will still be debited from the Actual User's account. As well, if the Plan terminates its Service Agreement with Great-West, the fee will be debited upon such termination. Enrollment in the Online Investment Advice at any time during a quarter will result in the Actual User account being debited, or the Plan Sponsor incurring the charge for the quarterly fee.

Plan Sponsor agrees the Online Investment Advice fee will be paid for by a Plan Participant, as described above, unless the following box is checked.

Plan Sponsor Initials: _____

AAG reserves the right to offer certain plan discounted fees or other promotional pricing.

Actual Users must allocate all of their account balance to the Managed Account Service. Partial management of the account whereby Actual Users can invest in other Core Investment Options while also participating in the Managed Account Service is not an option. Once enrolled in the Managed Account Service, Actual Users will no longer be able to make allocation changes to their accounts online, via paper, or through the Plan's existing toll-free customer service number. In addition, Actual Users will not be able to make fund-to-fund transfers, change fund allocations, or utilization of dollar cost averaging and/or rebalancer. Actual Users may still request and be approved for loans, take a distribution, and retain full inquiry access to their account. All of the aforementioned functionality will be restored to the Actual User's account no later than the next business day markets are open after they cancel their participation in the Managed Account Service.

Actual Users may cancel their participation in Managed Account Service at any time by completing the cancellation form available online through the Plan web site or by calling AAG at the Plan's existing toll-free customer service number.

B. Communication and Ongoing Maintenance Fee: Included. The communication and ongoing maintenance fee includes monitoring the use of Services, and integrating Services communications into the Plan's overall communications campaign, including enrollment materials, forms, web site, and group meetings.

As part of a participant's enrollment in the Managed Account service, the participant will receive the Managed Account Welcome Kit shortly after enrollment. The participant will receive an Annual Kit shortly after their birthday. Each kit provides the participant an update on their account and reaching their retirement goals. Standard materials may include a discussion of Services in enrollment/education materials, on the web site, and/or in personalized Participant materials. Additional or custom Participant communications materials may be used by AAG and may be paid for by AAG, Great-West or the Plan Sponsor. Such additional or custom communications may include targeted marketing techniques based upon participant demographical and/or account data (including but not limited to age, income, deferral rates, current investment elections) to identify participants who may benefit from participation in the Managed Account Service.

C. Addition of New Plans: Tax-deferred plans not listed at the top of this Appendix A that are added to Plan Sponsor's program after the Effective Date will not be included in this Agreement, and will be subject to additional fees.

D. Services will have limited capabilities for purposes of enrollment, rebalancing or reforecasting for approximately up to ten (10) business days following changes to the investment option lineup. Other functionality will be available during this time. AAG and the IFE need to conduct a new analysis of the available investment option array to accommodate these changes. This analysis will take approximately 10 business days, during which time, the Online Investment Guidance, Online Investment Advice, and Managed Account services will not be available for participant use. Once the analysis is complete, the Online Investment Guidance, Online Investment Advice, and Managed Account services will once again be available.

Ref: staffing levels in the corrections division

Multiple positions are being restructured due to several factors. Three correction deputies have transitioned into the road patrol position. One has completed her training on the road and has switched to the road patrol pay level and different union. The other two are or will be in training on the road and with successful completion will also move to the road patrol union and wages.

We have one opening in the correction Sergeant position. This will bring us back up to 4 correction sergeants and be in compliance with MDOC staffing levels . Again no new positions are being created just replacing staff movement.

Respectfully Submitted,

Sheriff Glen Skrent

April 19, 2018

At the April 12, 2018 meeting of the Antrim County Board of Commissioners, the following Resolution was offered:

RESOLUTION #12-2018 By Christian Marcus, seconded by Scott Kruger

OPPOSING AMENDATORY LEGISLATION TO MICHIGAN PUBLIC ACT 93-2013

WHEREAS, Michigan Public Act 93 of 2013 created Michigan Indigent Defense Commission (MIDC), authorized the MIDC to establish minimum standards for the provision of indigent defense services, mandated compliance plans from all Michigan counties by November 20, 2017 to address the first four indigent defense standards, and mandated that any additional costs required to implement these minimum standards be paid by the state; and

WHEREAS, Antrim County developed a mandatory compliance plan for implementing the first four indigent defense standards and submitted this plan to the MIDC by the November 20, 2017 deadline, and

WHEREAS, Governor Rick Snyder has now proposed a FY 19 budget for the State of Michigan, which includes insufficient funding to pay the additional indigent defense expenses that are anticipated in association with implementation of the first four indigent defense minimum standards, as required by Michigan Public Act 93 of 2013; and

WHEREAS, realizing state funding as currently proposed is insufficient and in violation of Michigan Public Act 93 of 2013, the Governor has further proposed amendatory legislation, "to clarify and improve" Michigan Public Act 93 of 2013, which include, among other things, establishing a new minimum local share of indigent defense costs to \$7.25 per capita and requiring that 90 percent of the revenue now collected by counties from partially indigent defendants be remitted to the state to support statewide system costs; and

WHEREAS, it has been determined that the proposed amendatory changes to Michigan Public Act 93 of 2013 would result in an increase in expenses to Antrim County to provide indigent defense services in compliance with the first four standards, and

THEREFORE BE IT RESOLVED, the Antrim County Board of Commissioners hereby opposes any amendatory legislation to Michigan Public Act 93 of 2013 that would reduce or eliminate the State of Michigan's fiduciary responsibility to pay any and all additional costs required to implement the minimum indigent defense standards, as presently legislated.

RESOLUTION #12-2018 continued.

BE IT FURTHER RESOLVED, the Antrim County Board of Commissioners remains committed to implementing the new minimum indigent defense standards as mandated by the MIDC, so long as the State of Michigan remains true to its original commitment to pay for any additional costs necessary for their implementation.

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to Governor Snyder, Representative Cole, Senator Schmidt, the Michigan Association of Counties and the other 82 counties.

Tuscola County Health Department
Board of Health Report: May 18, 2018
Ann Hepfer R.N., B.S., Health Officer

Outcomes for the Month:

1. **Medical Director Replacement Update:** Interviews for the Medical Director have been completed. The state health department will still need to approve the candidate before a final contract can be completed. This is a shared Medical Director between Huron, Sanilac, Tuscola, Lapeer and District #2. This contractual agreement will increase the cost to the health department by a minimum of \$8,750.
2. **Dental Clinic:** Mike and I received an email from Eric Morris with the proposed contract changes. If there are no additional changes then Eric will get the process in place completing it.
3. **Drug Task Force:** The next Drug Task Force meeting is scheduled for May 17th at the Tuscola County Medical Care Facility from 8:30-10:30 am. Topic of discussion will be the proposed Recreational Marijuana legislation. The task force felt that they needed to speak to this issue, since we are already dealing with substance abuse issues that we have very few resources for in our community.

Michigan Association of Local Public Health did vote on May 14, 2018, in opposition to the legislation from a Public Health standpoint.

4. **Accreditation:** The Health Department accreditation will take place the week of July 23-27.
