OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Cass City Public Schools, Tuscola, Huron and Sanilac Counties, Michigan, be renewed by 17.8813 mills (\$17.8813 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$1,069,369 (this is a renewal of millage that will expire with the 2024 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

remodeling, equipping and re-equipping school buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; purchasing school buses; and developing and improving a playground, athletic fields and facilities, driveways, parking areas and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2024 is 0.70 mill (\$0.70 on each \$1,000 of taxable valuation) for a -0-mill net increase over the prior year's levy. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.12 mills (\$1.12 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is \$0. The total amount of qualified loans currently outstanding is \$0. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

**CASS CITY PUBLIC SCHOOLS
OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Cass City Public Schools, Tuscola, Huron and Sanilac Counties, Michigan, be renewed by 17.8813 mills (\$17.8813 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$1,069,369 (this is a renewal of millage that will expire with the 2024 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

VASSAR PUBLIC SCHOOLS
I. OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Vassar Public Schools, Tuscola County, Michigan, be renewed by 17.8312 mills (\$17.8312 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, and also be increased by 0.5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$1,200,000 (this is a renewal of millage that will expire with the 2024 levy and a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963)?

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Cass City Public Schools, Tuscola, Huron and Sanilac Counties, Michigan, be renewed by 17.8813 mills (\$17.8813 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$1,069,369 (this is a renewal of millage that will expire with the 2024 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?
