Agreement

This agreement is between Tuscola County, and the authorized agent's school district hereinafter referred to as User, and is intended to set forth the conditions of User's access to Tuscola County's "Geographic Information System", hereinafter refer to as GIS data.

Tuscola County agrees to reduce the required fee from $13,850 to just $5,000, for a savings of more than 64%, for the initial purchase of the following GIS data layers:
- Address points
- Parcels
- Roads/Centerlines
- School District Boundaries
- Tuscola County also agrees to reduce the first Annual Update fee of $4,850 to just $1,500, for the four original GIS data layers purchased.

1. User agrees Tuscola County's compiled GIS data is proprietary to Tuscola County, notwithstanding those portions of the GIS data that may be available from other nonproprietary sources. User agrees that it will not sell, distribute or transfer Tuscola County's compiled GIS Data, or portions thereof, to another, without the express permission of Tuscola County through the authority of its Board of Commissioners. User acknowledges that Tuscola County has expended substantial sums to compile the GIS data. If the User allows the GIS data to be available to others outside the limitations of this Agreement, User will be equally responsible to pay for such data at rates as established from time to time by the Board of Commissioners. Compiled GIS data is not obtainable by FOIA request.

2. User acknowledges that the Tuscola County does not provide any warranties or assurances as to the accuracy or the completeness of the GIS data or files and use of this information is that User's sole risk. User should verify the accuracy of any data.

3. The bus routing software company, Transfinder, may obtain Tuscola County's GIS data layers on behalf of the User. Transfinder must also agree to the terms of this agreement, excluding one and two, and sign below.
