JUDGE ROGGENBUCK THANKS JURORS FOR THEIR SERVICE

The Michigan Supreme Court has designated July 2011 as Michigan Juror Appreciation Month. It is fitting and proper that this distinguished service is recognized and acknowledged. "Thank you for your service and commitment to the judicial process," says Amanda Roggenbuck, Tuscola County Probate Judge.

The right to trial by jury is a core value of the judicial system, one that the citizens of Tuscola County protect on a regular basis. Any resident of Tuscola County with a driver's license or state identification card, who is at least 18 years of age and not convicted of a felony is eligible to provide jury service.

"Jury service is democracy in action, it is a chance to observe and participate in Michigan's judicial system," said Roggenbuck.

The best jurors bring an open mind and base their decisions on facts and the evidence presented in the court room. To learn more about the jury service visit <http://courts.michigan.gov/lc-gallery/jury.htm>.
