

TUSCOLA COUNTY BOARD OF COMMISSIONERS

Resolution

Honoring Deputies Steve Roland and Jonathon Ramirez

Whereas, on January 11, 2017 Sheriff Deputies Steve Roland and Jonathon Ramirez assisted a motorist whose vehicle was stranded on the M24 road side and Gun Club Roads near Caro and,

Whereas, the police report of the incident stated that the officers called a tow truck to move the vehicle from the road side and waited for the truck to arrive and,

Whereas, what was not in the police report but of tremendous significance is these officers paid for the cost of the towing with their own money because the family was a bit down on their luck and did not have the ability to pay and,

Whereas, the family was so appreciative of these officers paying the towing cost that they called the Sheriff Department to explain the compassionate action taken by these two County Road Patrol Officers in helping them with their difficult situation.

Now Therefore Be It Resolved, that on behalf of the citizens of Tuscola County, the County Board of Commissioners want Deputy Roland and Deputy Ramirez to know that your thoughtful personal financial sacrifice in helping your fellow citizens was noticed and brought a big smile to our faces for your heartfelt action.

Be It Further Resolved that this action demonstrates what a great crew of Sheriff Road Patrol Deputies, Corrections Officers and Courthouse Security Officers we have in Tuscola County. Thank you officers for caring beyond expectations. We appreciate your service and we are honored to have you working for Tuscola County.
