The following resolution was offered by Commissioner Dutzy,
seconded by Commissioner Koch.

Resolution 2024-07 Authorizing SAFEbuilt Michigan, LLC as the Sole Entity Responsible for Issuing Soil Erosion Permits in Tuscola County

Whereas, Part 91, Soil Erosion and Sedimentation Control, of the Natural Resources and Environmental Protection Act (NREPA) provides for the control of soil erosion and protects adjacent properties and the waters of the state from sedimentation; and

Whereas, Part 91 is administered and enforced by various state, county, and local governmental agencies; and

Whereas, the Tuscola County Board of Commissioners has identified the Tuscola County Building Department as the County Enforcing Agency (CEA) to review soil erosion and sedimentation control plans, issue permits, and take enforcement actions when necessary to ensure compliance with Part 91; and

Whereas, the Tuscola County Road Commission and the Tuscola County Drain Commission have their own responsibilities in administering Part 91, which the Tuscola County Board of Commissioners do not want to disturb; and

Whereas, Tuscola County enjoys a mutually beneficial contract with SAFEbuilt Michigan, LLC to operate Tuscola County's Building Department.

Now Therefore, Be It Resolved, that the Tuscola County Board of Commissioners, except for the responsibilities of the Tuscola County Road Commission and the Tuscola County Drain Commission with respect to Part 91, authorizes SAFEbuilt Michigan, LLC as the sole entity responsible for all units of government (including Tuscola and Arbelá Townships) in Tuscola

County for issuing Soil Erosion Permits and any other planning and enforcement acts as identified in Part 91, Soil Erosion and Sedimentation Control, of the Natural Resources and Environmental Protection Act (NREPA).
