Tuscola County Planning Commission is cancelling our meeting for May 6, 2020 because of the Convid-19 virus as some of our board member are in the high-risk population and family members. The county has closed its building to the General Public for public health reasons.

We are planning to resume our meeting schedule starting June 3, 2020, if conditions do improve by then to do so.

Our contact information is on our website: <https://www.tuscolacounty.org/planning/>

Sincerely,

Zygmunt P. Dworzecki, Chairperson
