June 3, 2020 Planning Commission Meeting Cancelled Meeting to be Held on July 1, 2020

Tuscola County Planning Commission is cancelling our meeting for June 3, 2020 because of the Convid-19 virus as some of our board member are in the high-risk population and family members. The county has closed its building to the General Public for public health reasons.

We are planning to resume our meeting schedule starting July 1, 2020, if conditions do improve by then to do so.

Our contact information is on our website: <https://www.tuscolacounty.org/planning/>

Sincerely,

Zygmunt P. Dworzecki, Chairperson
