Tuscola County Planning Commission is cancelling our meeting for July 1, 2020 because of the Covid-19 virus as some of our board member are in the high-risk population and family members. The county has closed its building to the General Public for public health reasons and the governors extended stay at home order.

We are planning to resume our meeting schedule starting August 5, 2020, if conditions do improve by then to do so.

Our contact information is on our website: <https://www.tuscolacounty.org/planning/>
