August 5, 2020 Planning Commission Meeting Cancelled Meeting to be Held on September 2, 2020

Tuscola County Planning Commission is cancelling our meeting for August 5, 2020 because of the Convid-19 virus as some of our board member are in the high-risk population and family members. The county has closed its building to the General Public for public health reasons and the governors extended stay at home order.

We plan to resume our meeting schedule starting September 2, 2020, with safety measures prescribed by the county. Such as wearing masks and safe distancing for everyone at the meeting.

Our contact information is on our website: <https://www.tuscolacounty.org/planning/>

Sincerely,
