NOTICE FOR MAY 5, 2020 ELECTION

TUSCOLA COUNTY VOTERS LOCATED WITHIN THE UNIONVILLE-SEBEWAING AREA SCHOOL DISTRICT

Under an emergency executive order from Governor Whitmer, the May 5, 2020 election is being held under different rules than other elections. The election is being conducted primarily by mail to limit in-person interaction and help prevent the spread of COVID-19, caused by the novel coronavirus. Because of that, school districts and other bodies that had placed questions on the May 5th ballot were given the opportunity to remove questions from the ballot and have them voted on in a future election.

Unionville-Sebewaing Area School Board decided to remove their Bonding Proposal from the May 5, 2020 ballot. For that reason, there will NOT be an election on May 5, 2020 in the Unionville-Sebewaing Area School District. Unionville-Sebewaing Area School Board may decide to place the matter on the ballot on August 4, 2020 or another future election.

If the Unionville-Sebewaing Area School District Bonding Proposal is placed on the August 4, 2020 ballot and you had applied for an absent voter ballot for the May 5, 2020 election, you will be sent a ballot for the August 4, 2020 election.
