CARO TRANSIT MILLAGE PROPOSAL
If approved, this proposal will permit the Authority to continue to fund public transportation services by substituting a single new millage authorization in place of two existing millage authorizations previously approved by the voters of Indianfields Township and Almer Township (which included the territory which was the Village of Caro).
Shall the limitation on the amount of taxes which may be imposed on taxable property in the Caro Transit Authority, County of Tuscola, Michigan, be increased by One Dollar ($1.00) per thousand dollars ($1.00 per $1,000) of taxable value for a period of three (3) years, 2010 to 2012, inclusive, as new additional millage for the sole and exclusive purpose of providing public bus transportation services within the Caro Transit Authority (Indianfields Township, Almer Township, and the City of Caro)? It is estimated that 1.00 mill would raise approximately $231,524 when first levied in 2010.

CARO TRANSIT MILLAGE PROPOSAL
If approved, this proposal will permit the Authority to continue to fund public transportation services by substituting a single new authorization in place of two existing millage authorizations previously approved by the electors of Indianfields Township and Almer Township (which included the territory which was the Village of Caro).
Shall the limitation on the amount of taxes which may be imposed on taxable property in the Caro Transit Authority, County of Tuscola, Michigan, be increased by One Dollar ($1.00) per thousand dollars ($1,000,000 of taxable value) for a period of three (3) years, 2010 to 2012, inclusive, as new additional millage for the sole and exclusive purpose of providing public bus transportation services within the Caro Transit Authority (Indianfields Township, Almer Township and the City of Caro)? It is estimated that 1.00 mill would raise approximately $231,524 when first levied in 2010.

TRANSPORT AUTHORITY

CARO TRANSIT MILLAGE PROPOSAL

If approved, this proposal will permit the Authority to continue to fund public transportation services by substituting a single new authorization in place of two existing millage authorizations previously approved by the electors of Indianfields Township and Almer Township (which included the territory which was the Village of Caro).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Caro Transit Authority, County of Tuscola, Michigan, be increased by One Dollar ($1.00) per thousand dollars ($1.00 per $1,000 of taxable value) for a period of three (3) years, 2010 to 2012, inclusive, as new additional millage for the sole and exclusive purpose of providing public bus transportation services within the Caro Transit Authority (Indianfields Township, Almer Township and the City of Caro)? It is estimated that 1.00 mill would raise approximately $231,524 when first levied in 2010.

TRANSIT AUTHORITY
CARO TRANSIT MILLAGE PROPOSAL
If approved, this proposal will permit the Authority to continue to fund public transportation services by substituting a single new authorization in place of two existing millage authorizations previously approved by the electors of Indianfields Township and Almer Township (which included the territory which was the Village of Caro).
Shall the limitation on the amount of taxes which may be imposed on taxable property in the Caro Transit Authority, County of Tuscola, Michigan, be increased by One Dollar ($1.00) per thousand dollars ($1.00 per $1,000 of taxable value) for a period of three (3) years, 2010 to 2012, inclusive, as new additional millage for the sole and exclusive purpose of providing public bus transportation services within the Caro Transit Authority (Indianfields Township, Almer Township and the City of Caro)? It is estimated that 1.00 mill would raise approximately $231,524 when first levied in 2010.
