Note:

A write-in vote cast for an individual who has not filed a Declaration of Intent does not count and must not be recorded by the precinct board. Similarly, a write-in vote cast for an individual who filed a Declaration of Intent does not count unless the office for which the write-in vote was cast corresponds to the office identified on the Declaration of Intent. Write-in votes which do not count for the above reasons are not considered when determining whether an over vote has occurred or whether a split ticket has been cast at a partisan primary.
