Mayville Community Schools
Operating Millage Proposal

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance. The remaining 2 mills are only available to be levied to restore millage lost as a reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Mayville Community Schools, Tuscola and Lapeer Counties, Michigan, be increased by 20 mills (\$20.00 on each \$1,000 of taxable valuation) for a period of 5 years, 2025 to 2029, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$1,010,181?
