**Mayville Community Schools
Operating Millage
Renewal Proposal**

This proposal renews millage and will allow the school district to continue to levy its authorized operating millage rate on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2026 tax levy.

Shall the currently authorized millage rate limitation of 16.1589 mills (\$16.1589 on each \$1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Mayville Community Schools, Tuscola and Lapeer Counties, Michigan, be renewed for a period of 6 years, 2027 to 2032, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2027 is approximately \$1,100,526 (this is a renewal of millage that will expire with the 2026 tax levy)?

Bond Proposal**

Shall Cass City Public Schools, Tuscola, Huron and Sanilac Counties, Michigan, borrow the sum of not to exceed Ten Million Dollars (\$10,000,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

erecting, furnishing, and equipping additions to school buildings; remodeling, furnishing and refurbishing, and equipping and re-equipping school buildings, including school safety and security improvements; acquiring and installing instructional technology; equipping, preparing, developing, and improving athletic fields and facilities, playgrounds, and sites; and purchasing school buses?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2026 is 1.16 mills (\$1.16 on each \$1,000 of taxable valuation) for a 0.00 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-four (24) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.47 mills (\$1.47 on each \$1,000 of taxable valuation).

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
