

### 2026 MILLAGE REDUCTION FRACTION COMPUTATION

This form is issued under the authority of Sections 211.34d and 211.150 of the Michigan Compiled Laws (MCL). Filing of this form is mandatory. Failure to file is subject to the penalties prescribed under Section 211.119 of the Michigan Compiled Laws.

**INSTRUCTIONS:** The valuations reported on this form apply to a single county only. After valuation information has been obtained from the equalization directors of all counties within the boundary of the intercounty fractional taxing jurisdictions listed, the 2026 millage reduction fractions shall be calculated for those jurisdictions. The valuation information required under MCL 211.34d, is the same information required under P.A. 5 of 1982, MCL 211.24e, "Truth in Taxation". While the formulas required under Section 34d and 24e differ, the 2025 Taxable Value, 2026 Taxable Value, Taxable Value of Losses, and Taxable Value of Additions are the same for both calculations. Full or partial Disabled Veterans Exemptions shall not be included in any reported value. This form shall be filed with the State Tax Commission via the Property Tax Gateway, and each unit of government having taxable property located in more than one county.
