

Tuscola County Equalization Department

125 W. Lincoln Street Suite 200

Caro, MI 48723

(989) 672-3830

Tuscola County Equalization, GIS and City of Caro Assessing Departments COVID-19 Preparedness and Response Plan

In accordance with the Tuscola County COVID-19 Preparedness and Response Plan adopted by the Tuscola County Board of Commissioners on May 21, 2020, the following procedure shall be utilized to conduct business with the above listed departments.

Because of the ways that COVID-19 is capable of being transmitted, public interaction shall be kept to a minimum. Those entering county facilities should be kept to a minimum. For those members of the public that need to interact with a county office, that interaction should be completed by scheduled appointment only.

To schedule an appointment with Equalization or the City of Caro Assessing Departments please call 989-672-3830 or email csmith@tuscolacounty.org or mjaster@tuscolacounty.org.

To schedule an appointment with the GIS Department please call 989-672-3832 or email chorton@tuscolacounty.org.

All visitors entering the building shall be screened prior to entering the building. Screening questions will be utilized to decide if visitors can safely enter the building. If a visitor presents with symptoms of COVID-19 or answers yes to any of the screening questions, access to the building will not be granted. Visitors that successfully complete the screening process and are granted access to the building will be escorted to the Committee Room to conduct business as necessary.

Tuscola County requires that any member of the public able to medically tolerate a face covering must wear a covering over his or her nose and mouth.
